Exploring Canva Interface & Designing a Motivational Quote Post

Submitted To:

Madam Fatima

Lab Topic: Exploring Canva Interface & Designing a Motivational Quote Post

Instructions

Explore the Canva design platform (www.canva.com). After exploring the interface, answer the following questions and complete the design task.

Task 1: Canva Interface Exploration

Q1. Name any FOUR tools available in the Canva sidebar.

1.Templates

2.Elements

3.Text

4.Uploads

Q2. What is the purpose of the following Canva tools?

Canva Tool	Purpose
Elements	This tool contains elements for our design like stickers, shapes, and mockups.
Text	This tool contains different types of text styles, heading, and text boxes for our design.
Uploads	With this tool we can upload different types of material like images, and videos for our design from device.

Task 2: Design Task Motivational Quote Post

Create a motivational quote post of your own choice using Canva.

- Design Requirements:
- Canvas Size: 1080px × 1080px
- Background color or image
- Motivational quote text
- Decorative shapes or icons
